We plan to increase PAUL P. PIEKEN's monthly Supplemental Security Income (SSI) payment from \$544.31 to \$558.31 beginning January 2019. The amount will change because the cost of living increased during the past year. He will continue to get the new amount each month unless there is a change in the information we use to figure his payment. The new amount includes \$44.31 from the State of New Jersey.

The rest of this letter explains more about PAUL P. PIEKEN's SSI payments. It also tells you how to find affordable health care.

We explain how we figured the monthly payment amount on the worksheet(s) at the end of this letter. The explanation shows how his income, other than any SSI payments, affects his SSI payment. We include explanations only for months where payment amounts change.

When You Will Receive His Payments

Your bank or other financial institution will receive his monthly payment of \$558.31 around January 1, 2019, and on the first of each month after that.

Information Used In Making The Decision

Our records show that the following income used to figure his payment has also changed—

The food and shelter he receives in someone else's home or apartment for November 2018. We are raising the amount we count for this food and shelter to \$257.00 beginning January 2019. The law requires this change when there is a cost-of-living increase in SSI payments.
